Full Stack Web Developer with 1 year of experience in developing dynamic and user-friendly web applications. Currently working on a Car Rental Portal at a collage project, showcasing strong problem-solving skills and a passion for creating efficient, scalable solutions. Proficient in Data Structures and Algorithms (DSA) with over 300 questions solved in Java. Pursuing a Bachelor of Technology (B.Tech) in Computer Engineering, currently in the 4th year. Adept at both front-end and back-end development, with a keen interest in continuous learning and professional development

Education

Suryodaya College of Engineering and Technology Nagpur

2021 - 2025

- Computer Engineering | pursuing 4th year

(expected)

Rastriya Vidhyalaya jr. Collage Bhiwapur

2020 - 2021

- HSC(Class XII), 71%

Skills

C++ | C | Java | DSA | Python | OOPS | JavaScript | NodeJS | React | MongoDB | SQL | MySQL | Git | DBMS | Problem Solving

Technical Skills

- **Programming Languages** - Java ,c, c++,Javascript,SQL Python,PHP.
 - **Frontend Development** - React JS,HTML,CSS3 , JavaScript ,Bootstrap,Tailwind.
 - **Backend Development** - Node js, Express js, Java.
 - **Database Management** - MySQL, MongoDB.
 - **Tools and Technologies** - Git,Github,Vs code,Microsoft Office, Linux
 - **Web Development** - web Design,WordPress Developments
 - **Deployment** - Netlify,AWS,Render,Hostinger.
 - **Soft Skills** - Problem Solving ,DSA,Team Collaboration,Leadership
-

Work Experience

Web Development Intern | Online Acemegrade

Mar'10

- Gained hands-on experience in web development, contributing to the growth and improvement of online platforms
- Key Responsibilities:
- Assisted in designing and developing web applications using HTML, CSS, JavaScript, and frameworks/libraries
- Collaborated with the development team to identify and resolve issues
- Implemented new features and updates to existing projects
- Participated in code reviews and ensured best practices

Projects

Car Rental Portal

Apr'19

- Designed and developed a user-friendly web portal for car rentals
- Implemented features: search, book, manage bookings, user dashboard, admin panel
- Technologies: [HTML, CSS, JavaScript, Framework/Library], [Programming Language], [Database Management System and PHP]
- Demonstrated expertise in full-stack development, project management, PHP, and database management

Personal Portfolio Website

jun'23

- Designed and developed a personal portfolio website to showcase skills and projects
- Features: responsive design, project showcase, blog, contact form
- Technologies: [HTML, CSS, JavaScript, Framework/Library], [Content Management System]
- Demonstrated expertise in front-end development, and web development
- Developed a personal portfolio website showcasing my skills, with animations and effects for an attractive and engaging presentation.

Certificate & Achievements

- **Python For Data Science IN NPTEL ONLINE | [CERTIFICATION](#)**
 - Earned a certification in Python Programming for Data Science through NPTEL SWAYAM, showcasing proficiency in utilizing Python for data analysis, visualization, and machine learning.
 - - Developed expertise in applying Python programming skills to data science concepts, including data wrangling, statistical analysis, and data visualization, through the NPTEL SWAYAM certification program.
- **Programming in Java IN NPTEL ONLINE | [CERTIFICATION](#)**
 - Completed a certification program in Java Programming through NPTEL SWAYAM, demonstrating expertise in writing efficient and effective Java code.
 - - Enhanced programming skills and knowledge in Java through the NPTEL SWAYAM certification program, with a strong foundation in object-oriented programming concepts and practices.
